BOOKS. GROUP 2.

Pamphlets, leaflets, contributions to periodicals, and serial publications, including reports of court decisions, directories, herdbooks, etc., are contained in Group 2. To avoid the inconvenience of a number of small alphabets, the titles in this group are printed in the last weekly issue of Part I for each month, thus reducing the alphabetical indexes to 12 for each year.

DRAMATIC COMPOSITIONS, AND MAPS AND CHARTS

The titles for entries made in Class "D," Dramatic Compositions, and Class "E," Maps and Charts, are printed in the last weekly issue for each month to avoid the inconvenience of a number of small alphabets.

BOOKS; DRAMATIC COMPOSITIONS; MAPS AND CHARTS

Class A, Books

Includes books, pamphlets, leaflets, etc., and contributions to periodicals, in two groups, arranged alphabetically by author or, if anonymous, by title. The first group contains the titles of books for which printed catalogue cards are issued by the Library of Congress, etc., including the titles of foreign books registered under the act of March 3, 1905, for *ad interim* protection. The second group contains the titles of pamphlets, leaflets, and contributions to periodicals, and all other productions registered under the legal designation "book," including preliminary reports of court decisions, proceedings of societies, and directories, herd-books, etc. The titles included in the second group will be printed in the last weekly number of the Catalogue for each month.

The number at the end of each title, after the notice of copyright, is a citation number by means of which reference is made in the index to this title.

The number at the end of a title and immediately above the copyright notice, printed with a hyphen, *e. g.* 7–38246, is the **Library of Congress order number for the printed card for this title.**

The first group contains the titles of books for which printed catalogue cards are issued by the Library of Congress, etc., including the titles of foreign books, registered under the act of March 3, 1905, for *ad interim* protection. The second group contains the titles of pamphlets, leaflets, and contributions to periodicals, and all other productions registered under the legal designation "book," including preliminary reports of court decisions, proceedings of societies, and directories, herdbooks, etc. The titles included in the second group will be printed in the last weekly number of the CATALOGUE for each month.

The number at the end of each title, after the notice of copyright, is a citation number by means of which reference is made in the index to this title.

The second group contains the titles of pamphlets, leaflets, and contributions to periodicals, and to all other productions registered under the legal designation "book," including preliminary reports of court decisions, proceedings of societies, and directories, herdbooks, etc. The titles included in the second group will be printed in the last weekly number of the CATALOGUE for each month.

Pamphlets, leaflets, contributions to periodicals, and serial publications, including reports of court decisions, directories, herdbooks, etc., are contained in Group II. To avoid the inconvenience of a number of small alphabets, the titles in this group are printed in the last weekly issue of Part I for each month, thus reducing the alphabetical indexes to 12 for each year.

The first group contains the titles of books for which printed catalogue cards are issued by the Library of Congress, etc., including the titles of foreign books registered under the act of March 3, 1905, for *ad interim* protection. The second group contains the titles of pamphlets, leaflets, and contributions to periodicals, and all other productions registered under the legal designation "book," including preliminary reports of court decisions, proceedings of societies, and directories, herdbooks, etc. The titles included in the second group will be printed in the last weekly number of the Catalogue for each month.

The number at the end of each title, after the notice of copyright, is a citation number by means of which reference is made in the index to this title.

The number at the end of a title and immediately above the copyright notice, printed with a hyphen, *e. g.*, 8–6967, is the **Library of Congress order number for the printed card for this title.**

BOOKS. GROUP II

Pamphlets, leaflets, contributions to periodicals, and serial publications, including reports of court decisions, directories, herdbooks, etc., are contained in Group II. To avoid the inconvenience of a number of small alphabets, the titles in this group are printed in the last weekly issue of Part I for each month, thus reducing the alphabetical indexes to 12 for each year.

DRAMATIC COMPOSITIONS, AND MAPS AND CHARTS

The titles for entries made in Class "D," Dramatic Compositions, and Class "E," Maps and Charts, are printed in the last weekly issue for each month to avoid the inconvenience of a number of small alphabets.

BOOKS; DRAMATIC COMPOSITIONS; MAPS AND CHARTS

The first group contains the titles of books for which printed catalogue cards are issued by the Library of Congress, etc., including the titles of foreign books registered under the act of March 3, 1905, for *ad interim* protection. The second group contains the titles of pamphlets, leaflets, and contributions to periodicals, and all other productions registered under the legal designation "book," including preliminary reports of court decisions, proceedings of societies, and directories, herd-books, etc. The titles included in the second group will be printed in the last weekly number of the Catalogue for each month.

The number at the end of each title, after the notice of copyright, is a citation number by means of which reference is made in the index to this title.

The number at the end of a title and immediately above the copyright notice, printed with a hyphen, *e. g.* 8–13371, is the **Library of Congress order number for the printed card for this title.**
